

# Introducing your new Learning Zone

From Facebook to LinkedIn, every online system needs to continually update to make the user experience that little bit better. The HR Systems team felt that the Learning Zone needed a new makeover and we are delighted to confirm that your new look Learning Zone is coming soon! Called 'Project Starburst', the team have taken a fresh angle on how we approach learning. Bringing together aspects of

social interaction with the ability to take your learning with you by making Learning Zone mobile friendly. We hope you'll be as excited as we are by the new site. We wanted to share some of the key changes and benefits you will see when the site goes live this summer.

## A new look

With a new look, new features and now fully mobile responsive, we wanted to bring you a new take on social interaction. We don't expect you to take your mobile with you to complete training, but we made sure we designed it for those that want to.

The banner at the top of the site will be used to promote courses, Bright Horizons events and other BH news. Each image will allow you to directly access the training course so you will never miss a thing.

## The testimonials

We took the updated Learning Zone to different department leaders to get their feedback; needless to say the testimonials speak for themselves.

*"It's a positive change. It's for our nursery staff. It's more user friendly"*

**Cathy Hart (Head of Safeguarding)**

*"I love the new look Learning Zone, it's so much more user friendly and accessible for our colleagues, especially as now it's finally mobile responsive! I know this will really support our busy teams to access information and training in a much quicker and modern way"*

**Heather Young (Senior Operations Director)**

*"Provides flexible ways of learning, on a device and at a time to suit you... A technical tool which powerfully supports our increased focus on networking and collaboration"*

**John Handley (HR Director)**
